

Adviser Selected
Selecting an adviser is a critical step in your academic journey. Consider your interests, strengths, and career goals. Reach out to potential advisers and discuss your plans. Once you've chosen, meet regularly to discuss your progress and receive guidance.

Thesis-Pair-Share
This program allows you to share your thesis work with a peer who is also working on a thesis. You can provide feedback and support to each other throughout the process. Contact your adviser for more information.

Transition to College
This program provides resources and support for students transitioning to college. It includes information on campus life, academic expectations, and financial aid. Contact your adviser for more information.

Icebreaker: Connected

Students will introduce themselves with their name, hometown, and degree program.

Holding firmly to the end of the string, toss the ball of string to someone in the circle who has not yet received the string. The person tossing the string has the opportunity to ask them a question about themselves.

Continue until everyone has received the string at least once and introduced themselves to the group.

Think-Pair-Share

6-8 in each small group

- What are you excited about?
- What are you looking forward to?
- What questions do you have about college?
- What makes you uneasy about college?
- Ask any questions you have about CASNR and/or UNL?
