

**Adviser Selected**  
Selecting an adviser is a critical step in your academic journey. Consider your interests, strengths, and career goals. Reach out to potential advisers and discuss your plans. Once you've chosen, meet regularly to discuss your progress and receive guidance.

**Thesis-Pair-Share**  
This program allows you to share your thesis work with a peer who is also working on a thesis. This provides a supportive environment for discussing challenges and celebrating successes. It's a great way to build a strong academic community.

**Transition to College**  
This program provides essential information and resources to help you successfully transition from high school to college. It covers topics like course selection, financial aid, and campus life. Make sure you have all the necessary documents and information before starting classes.

**Transition to College**

**Advised Relationships**  
Building strong relationships with your advisers and peers is crucial for your success. Regular communication and mutual support can help you overcome challenges and stay motivated. Don't be afraid to ask for help when you need it.

**Tips for Being Successful**  
Success in college requires a combination of hard work, time management, and seeking support. Stay organized, attend all classes, and participate in your learning. Don't hesitate to reach out to your advisers and peers for help. Remember, you're in this together!
