THE CASNR L.I.N.K.S.
Learning Innovation Network for K-12 Schools

The purpose of this L.I.N.K.S. newsletter is to provide a monthly update of opportunities and resources for K-12 schools to connect with the University of Nebraska’s CASNR Food, Energy, Water, and Societal Systems (FEWS²) programs and partners.

IN THIS EDITION:

Page 1: K-12 Curriculum & Resources
Page 2: Career Exploration - pathways for students who like plants

Have a student interested in Plants?
Learn about all the Career pathways at: Seed Your Future

Our college and career pathways, at their core, are designed to provide a progression of experiences that support students as they focus their interests and passions into professions. We believe the use of our six Interest Areas can provide the small steps needed to fine-tune student interests. Each interest area has associated careers pathways. Identifying the interest area is the first step, and exploring is next.
