The purpose of this L.I.N.K.S. newsletter is to provide a monthly update of opportunities and resources for K-12 schools to connect with the University of Nebraska’s CASNR Food, Energy, Water, and Societal Systems (FEWS²) programs and partners.

IN THIS EDITION:

Page 1: K-12 Curriculum & Resources

Page 2: Career Exploration - pathways for students who like animals and insects

Page 3: Teacher & Student Opportunities
casnr.unl.edu/k-12-partners

HIGH SCHOOL
(CLICK FOR ALL 9-12 RESOURCES)

World Food Prize NE Youth Institutes
High school students engage with local leaders and experts on critical global challenges, participate in hands-on activities, and explore exciting ways to make a difference in Nebraska and around the world. Recorded Webinar here
Our college and career pathways, at their core, are designed to provide a progression of experiences that support students as they focus their interests and passions into professions. We believe the use of our six Interest Areas can provide the small steps needed to fine-tune student interests. Each interest area has associated career pathways. Identifying the interest area is the first step, and exploring is next.
Teacher Opportunities

EPSCOR Nebraska
Grant Proposals being accepted for STEM Experiences up to $2000.
