The purpose of this L.I.N.K.S. newsletter is to provide a monthly update of opportunities and resources for K-12 schools to connect with the University of Nebraska’s CASNR Food, Energy, Water, and Societal Systems (FEWS²) programs and partners.

IN THIS EDITION:

Page 1: K-12 Curriculum & Resources & Upcoming Events
Page 2: Career Exploration - pathways for students who like Technology
Page 3: Teacher & Student Opportunities

casnrl.unl.edu/k-12-partners

UPCOMING EVENTS 2023-2024

April 15-Western Nebraska World Food Prize-Scottsbluff
April 18-NJAS State Science Fair
Our college and career pathways, at their core, are designed to provide a progression of experiences that support students as they focus their interests and passions into professions. We believe the use of our six Interest Areas can provide the small steps needed to fine-tune student interests. Each interest area has associated career pathways. Identifying the interest area is the first step, and exploring is next.
Student Opportunities

- Engler Agribusiness Entrepreneurship Program. Engler Scholarship Opportunities for HS Seniors
- Do you want to change the World? Share your idea with CASNR. Entry Categories for 6-11th grade and Admitted Seniors. Become the Change. Check out CASNR Changemakers. Competition opens December 1st.
