THE CASNR L.I.N.K.S.

Learning Innovation Network for K-12 Schools

The purpose of this L.I.N.K.S. newsletter is to provide a monthly update of opportunities and resources for K-12 schools to connect with the University of Nebraska’s CASNR Food, Energy, Water, and Societal Systems (FEWS²) programs and partners.

TEACHER'S CORNER

Question of the Month - What do you want for summer professional development?
Click here to submit your response.

NE GAME & PARKS WILDLIFE EDUCATION RESOURCE GIVEAWAY!

TEACHER OPPORTUNITIES

Click here to access all Teacher Opportunities

- **PAID Research Experiences for Teachers** – Boost your STEM Skills
  - **We need to find one or two more teachers to participate in our research experiences for teachers (RET) program this summer. The program pays participants $5,300 for 6 weeks. No prior knowledge necessary!**

- **PAID Piloting Opportunity w/ Project ACRE** – MS and HS educators pilot games and lesson resources with students and provide feedback. Contact Jenny Keshwani for more information about applying for a fellowship.

- **PAID Professional Development w/ Science and Agriculture Academy**, July 18 – 22 HS science & agriculture teachers, real-world science through the context of Animal Science and inquiry-based teaching methods.

- Become a Global Guide! The World Food Prize Global Guides Program is a 9-month professional development program for educators focused on food security education. Read the Frequently Asked Questions here.

- **Nebraska Summit on Math and Science Education**, PK-12 STEM teachers, Discuss models & strategies for inclusive programming, $60, June 3-4, NE Innovation Campus

- **Attend the 2-day Guide Conference**, an educator’s conference focused on teaching with an entrepreneur’s mindset, $75, July 6-7, UNL’s East Campus, register here.

- **Technical skill workshop offerings** this summer for optional graduate class credit, register here by June 12th, contact Erik Knoll for questions.

KUDOS TO OUR NEW PARTNERSHIPS

We appreciate everyone who have invested their time, money, and energy to move the Education & Career Pathways Programs forward. Click here to view all partnerships.
Thank you for submitting your School of Natural Resources questions last month. Click here to ask questions about the School of Natural Resources.

This month, our experts are coming from the Biological Systems Engineering department! Have questions about Agricultural engineering, biological systems engineering, or mechanized systems management (precision Ag)? Please click & share your questions in this document. The answers to your questions will be in next month's CASNR L.I.N.K.S. newsletter!
