Morrill Hall - Virtual Field Trips and Education Resources - Sign up for their Educator’s E-News
TEACHER OPPORTUNITIES

Click here to access all Teacher Opportunities

- **PAID Piloting Opportunity w/ Project ACRE** – MS and HS educators pilot games and lesson resources with students and provide feedback. Contact Jenny Keshwani for more information about applying for a fellowship.

- **PAID Professional Development w/ Science and Agriculture Academy**, July 18 – 22 HS science & agriculture teachers, real-world science through the context of Animal Science and inquiry-based teaching methods.

- **Attend the 2-day Guide Conference**, an educator’s conference focused on teaching with an entrepreneur’s mindset, $75, July 6-7, UNL’s East Campus, register here.

- Are you a HS science teacher attending the Nebraska Summit on Math and Science Education on June 3-4? Check out The Prairie Project session on June 4. Contact Erin Ingram for information.

- The UNL Growable team will be conducting a one-hour, elementary-focused Garden TOOLS for Corn training session at the ESU 9 and 10 Summer Science Retreat on June 6-7!

KUDOS TO OUR NEW PARTNERSHIPS

We appreciate everyone who have invested their time, money, and energy to move the Education & Career Pathways Programs forward. Click here to view all partnerships.
Thank you for submitting your School of Natural Resources questions last month. Click here for the answers to Biological Systems Engineering.

This month, our experts are coming from the Biological Systems Engineering department! Have questions about Food Science-Food Science Technology or Food Technology for Companion Animals? Please click & share your questions in this document. The answers to your questions will be in next month's CASNR L.I.N.K.S. newsletter!

**STUDENT EXPERIENCES**  Access to all student experiences
