CASNR Week Food Drive for Huskers Helping Huskers Pantry+

All:

During the celebration of CASNR Week, there will be a Food Drive and Competition for the Huskers Helping Huskers Pantry+. The food drive will start on Monday, March 4, at 8:00 a.m. and run through Thursday, March 7, at 12:00 p.m. In the attached file, you will see the breakdown of the locations where food donation bins will be placed and the departments, graduate and undergraduate programs associated with each Division.

This is a competition between the Divisions. The Division that has the most pounds of items collected at the end of the drive will gain bragging rights and have a brick laid in the Alumni Brick Garden in a new area designated for CASNR Serviceship.

I am writing to all of you for your help with this event:

1. Is the location of the donation bin reasonable? You will not need to do any handling of the donation bins or food/items. The Huskers Helping Huskers Pantry+ will deliver and pick up the donation bins and collect and weigh all of the items at the end of the drive.
2. Will you help us spread the word to your departments and students? Flyers and lists of items to help stock the Pantry will be provided.
