

THE CASNR L.I.N.K.S.

Learning Innovation for Nebraska and K-12 Schools

The purpose of this L.I.N.K.S. newsletter is to provide a monthly update of opportunities and resources for K-12 schools to connect with the University of Nebraska's CASNR Food, Energy, Water, and Societal Systems (FEWS²) programs and partners.

IN THIS EDITION:

Page 1: K-12 Curriculum & Resources & Upcoming Events

Page 2: Career Exploration - pathways for students

Page 3: Teacher & Student Opportunities

Seed Your Future

Our college and career pathways, at their core, are designed to provide a progression of experiences that support students as they focus their interests and passions into professions. We believe the use of our six Interest Areas can provide the small steps needed to fine-tune student interests. Each interest area has associated career pathways. Identifying the interest area is the first step, and exploring is next.

Student Opportunities

- Discovery Days-East Campus
- Nebraska Public Media
- Native American Coalition
- Big Red Camps
- EPSCOR Summer Camps
- Nebraska Game and Parks
- NebrASKa Scientist Virtual Field Trips
- Youth Energy Camp
