CASNR Curriculum Committee Proposal for Catalog Edits to Major or Minor

This document is only for minor changes to the catalog. This includes changes to the description, learning outcomes, structure, or requirements of a major or minor. Substantial changes such as degree name changes, addition or deletion of options, or significant changes to the degree requirements should go through the modification process outlined here.

All edits should be included compared to what is currently published in the current catalog. Edits to individual courses must be requested in CIM. Edits to 4-Year Plans will be called for via the Advisor(s) serving your program.

In addition to listing the changes being made to the major/minor in the catalog below, please include a marked-up pdf of your catalog copy to show how the changes would appear in the catalog.

Changes will be reviewed by a CASNR representative and moved forward to the CCC for approval.

Proposals Submitted by **October 15** and Approved by the December CASNR Curriculum Committee meeting will be effective for the next Catalog.
